GENERAL SECRETARIAT

Dated 13th December 1949.

No. L.W. 2045—Law 71-49-16. Under Section 12(4) of the Mysore Labour Act, (Act XIII of 1942), the Government of His Highness the Maharaja are pleased to publish for general information the accompanying report of the Chief Conciliator in Mysore in respect of the failure of Conciliation Proceedings in the dispute between the Secretary, K. H. Shama Rao & Sons Employees' Association, Bangalore City and the concerned Management, in regard to a notice of change given by the said Association urging their demands as detailed in the report.

A. C. NIRVANI GOWDA, *Gl. Secy.*

OFFICE OF THE CHIEF CONCILIATOR IN MYSORE, BANGALORE.

Dated 30th November 1949.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General Department, Bangalore.

Sir,

Subject.—Notices of change dated the 30th May 1949 and 4th June 1949, given by the Secretary of K. H. Shama Rao & Sons Employees' Association to its Management.

No. C.C. 1 & 5—49-50. The above Labour Association gave two Notices of change dated the 30th May and 4th June 1949 concerning in all 10 demands to its Management as noted below:—

Notice of Change dated 30th May 1949.

Three of the employees employed in the Bangalore Dress Manufacturing Co., Bangalore—Devaraj, Tailor No. 23, Govindaraju, Tailor No. 183, and Pichivelu, Tailor No. 119 have been dismissed from their services from the 28th May 1949. The said employees are not guilty of the misconduct alleged against them. The action of the Management in dismissing the said employees is thoroughly vindictive and uncalled for. Now we the employees of the Bangalore Dress Manufacturing Co., Bangalore, demand:

"That the said three employees should be immediately and unconditionally re-instated with full compensation."

Notice of Change dated 4th June 1949.

1. The amount that is being now shown in the Pay-sheet as Dearness Allowance is not the dearness allowance. Sometime two years before the then existing wages and salaries were bifurcated and a part of it the Company began to record as dearness allowance. Thus the amount shown at present as dearness allowance really constitutes a part of the basic wages. In certain cases, for example, recruits employees are paid no dearness allowance. So the existing wages of all employees including the so-called dearness allowance should be taken as basic wages and in addition dearness allowance at the rate of four annas per month per point of rise in the cost of living index number above 100, should be paid to all employees with effect from the date of bifurcation of pay.
2. Tailors should be given work on process system, *i.e.*, batch work only.
